

# ENFORCER ALFALFA

Alfalfa

## Profile

Power, persistence, and premium performance: ENFORCER is the alfalfa variety that lives up to its name – commanding top-tier yield, elite forage quality, and unshakable resilience. Developed through a non-GMO breeding program, the new variety is built to dominate fields with its tap and branch root system, brilliant dark green canopy, and very high multi-leaf expression. With excellent yield potential and premium digestibility,

ENFORCER delivers the kind of performance that turns heads and fills bunkers. Whether you are pushing for yield, quality, or stand durability, ENFORCER is your go-to alfalfa. It is not just tough – it is top-performing. When you need a variety that won't back down.

- Elite Disease resistance, 34/35 disease index (DRI)
- Tap/Branch root architecture
- Excellent winter hardiness
